

Dannica Robertson

Dannica is entering her third year at the University of Calgary where she is pursuing a Bachelor of Commerce degree in International Business. Dannica has been dancing since she was 2 years old and hasn't stopped since. She began her training at the Alberta Dance Academy in Okotoks, Alberta before being accepted into The Young Canadians of the Calgary Stampede. After two years with that company she decided to further her dance education with Drewitz Dance Productions until she graduated high school. Throughout high school she was a proud co-captain of her high school basketball team and in her final year she started a competitive dance team that successfully competed at major cheerleading competitions in Alberta. Dannica was awarded the Highest Achievement Award for Drama and an additional scholarship in recognition of her dedication to the dramatic and artistic arts. In 2014 she won a nation wide competition for dancing as well as acting. When she was younger she wanted to become a major role model for her city and has accomplished that goal. Dannica was a member of a professional CFL cheerleading team for two years before she started her own dance company, Outlaw Country Ltd., based in Calgary. She focuses on building her company and encouraging her young dancers to follow their passion for dance. In the future Dannica hopes to use her experiences and skills to contribute to the development of young minds and to increase the support for programs in the arts.
